

**7th International Conference
of Young Naturalists**
- "From Biotechnology to Environment Protection"
- Interdisciplinary Meeting of Young Naturalists
8-10 November 2012, Zielona Góra

The Biologist Scientific Union of University of Zielona Góra would like to invite for the 7th International Conference of Young Naturalists - "From Biotechnology to Environment Protection" - Interdisciplinary Meeting of Young Naturalists. The Conference will be held 8-10 November 2012 in Zielona Góra. It is co-organized by the Botanical Garden in Zielona Góra

The conference is designed to young researchers (especially students and PhD students of natural sciences) who want to present the results of their research activities. The basis for participation in the conference are oral presentations or participate in a poster session. Conference will be held within such sections:

- Anthropology (human anatomy and physiology, anthropogenesis, biology and ecology of man)
- Molecular biology (including bioinformatics, modeling biological processes, biochemistry, cell biology, genetics, microbiology)
- Biotechnology (biophysics, biotechnology, chemistry)
- Botany (botany, plant physiology)
- Ecology (architecture and landscape ecology, plant ecology, animal ecology)
- Environment Protection (biodiversity, protection of natural resources)
- Zoology (invertebrates, vertebrates, animal physiology and anatomy, phylogenesis and ontogeny of animals)

Electronic applications should be send till 15 October 2012. Abstracts (annex 1) of oral or and poster presentations in English, should be send till 25 October 2012 to:

w3biocon@wnb.uz.zgora.pl

Conference fee - **30 EUR** (payment to 25 October 2012) with a note stating **VII MSSN** and **surname of participant** should be pay on account number:

Kredyt Bank SA, oddz. Zielona Gora PL 42150018101218100444830000

Postscript: SWIFT CODE – KRDBPLPW

The conference fee includes conference materials, two dinners and refreshments during coffee breaks.
